**Re: U.S. Patent No. 4,706,275 (the "275 Patent")
AEROTEL, LTD.**

Dear Mr. Arena:

Further to our recent correspondence, enclosed is a chart showing Aerotel's construction of claim 23 of the '275 Patent. For your reference, we also enclose documents cited from the prosecution history of the patent.

You requested that we identify products and services of Cingular for discussion. As a preliminary matter, we can identify Cingular products offered under the designations "Keep in Contact", "Cingular Prepaid", "Free-2-Go" and "GoPhone". Also, we wish to discuss ATT Wireless prepaid products, including "AT&T Free-2-Go".

We would appreciate your early advice concerning the scheduling of meeting.

Cordially,

Glenn F. Ostrager
